College

. SPIRIT . . TRADITION . . AND PROGRESS

The feelings of sportsmanship and fair dealing in athletics . . . winners departing from the field of victory . . . laughter because something's bad or sad . . . squelching the ever-threatening anger and disappointment . . . the "Ivy Look" and Bermuda shorts to class . . . the classic sheath and Old Spice effects for dates . . . wailing when the dorm lights blink . . . disgust when the post office box is empty again . . . yelling and cheering at a game 'til lungs almost collapse . . . either heights or depths when cutting class . . . bumming a cigarette

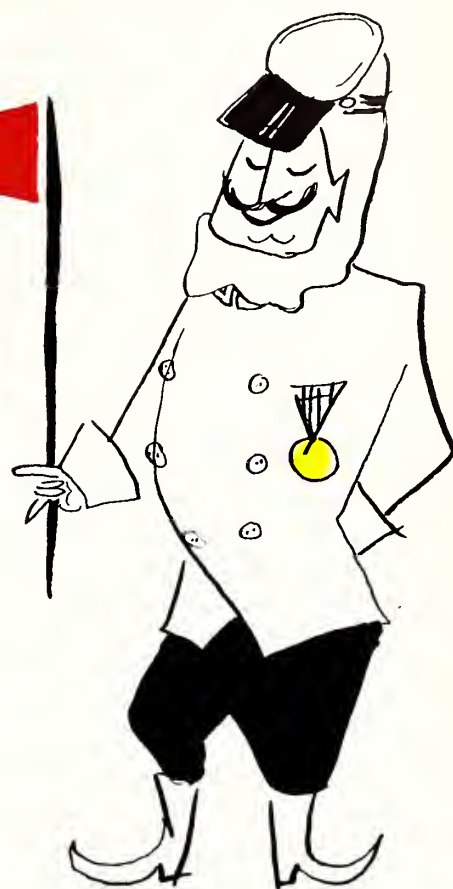

THIS IS THE

Spirit

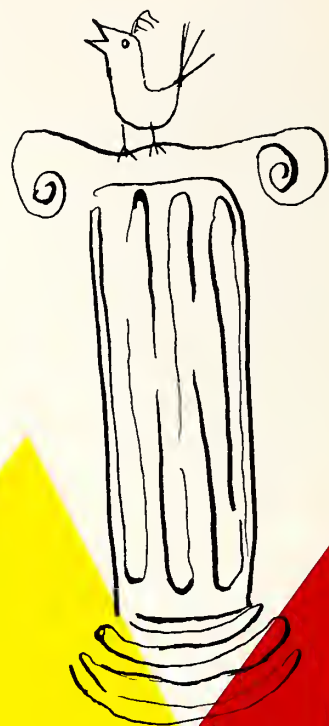

. . . convincing someone else to feed the juke box . . . unexpected bull sessions that become so involved . . . consideration, by and for others . . . surprise when the grade posted is different than expected . . . irresistible card games . . . Blue Monday . . . too much coffee, but wanting more . . . a cramming that became only a brief review . . . the thrill of entering the packed stadium . . . enjoying campus talent . . . conversation in the chow hall line . . . rushing to another meeting . . . crowding in a car just to go anywhere . . . a throbbing heart on honors day . . . clapping after the performance because you really enjoyed it . . . sitting on the benches under the trees . . . casting a vote between classes . . . the emptiness of bluffing . . . fullness of knowing . . . and . . . the ultimate packing to leave for summer . . . packing to return in the fall.

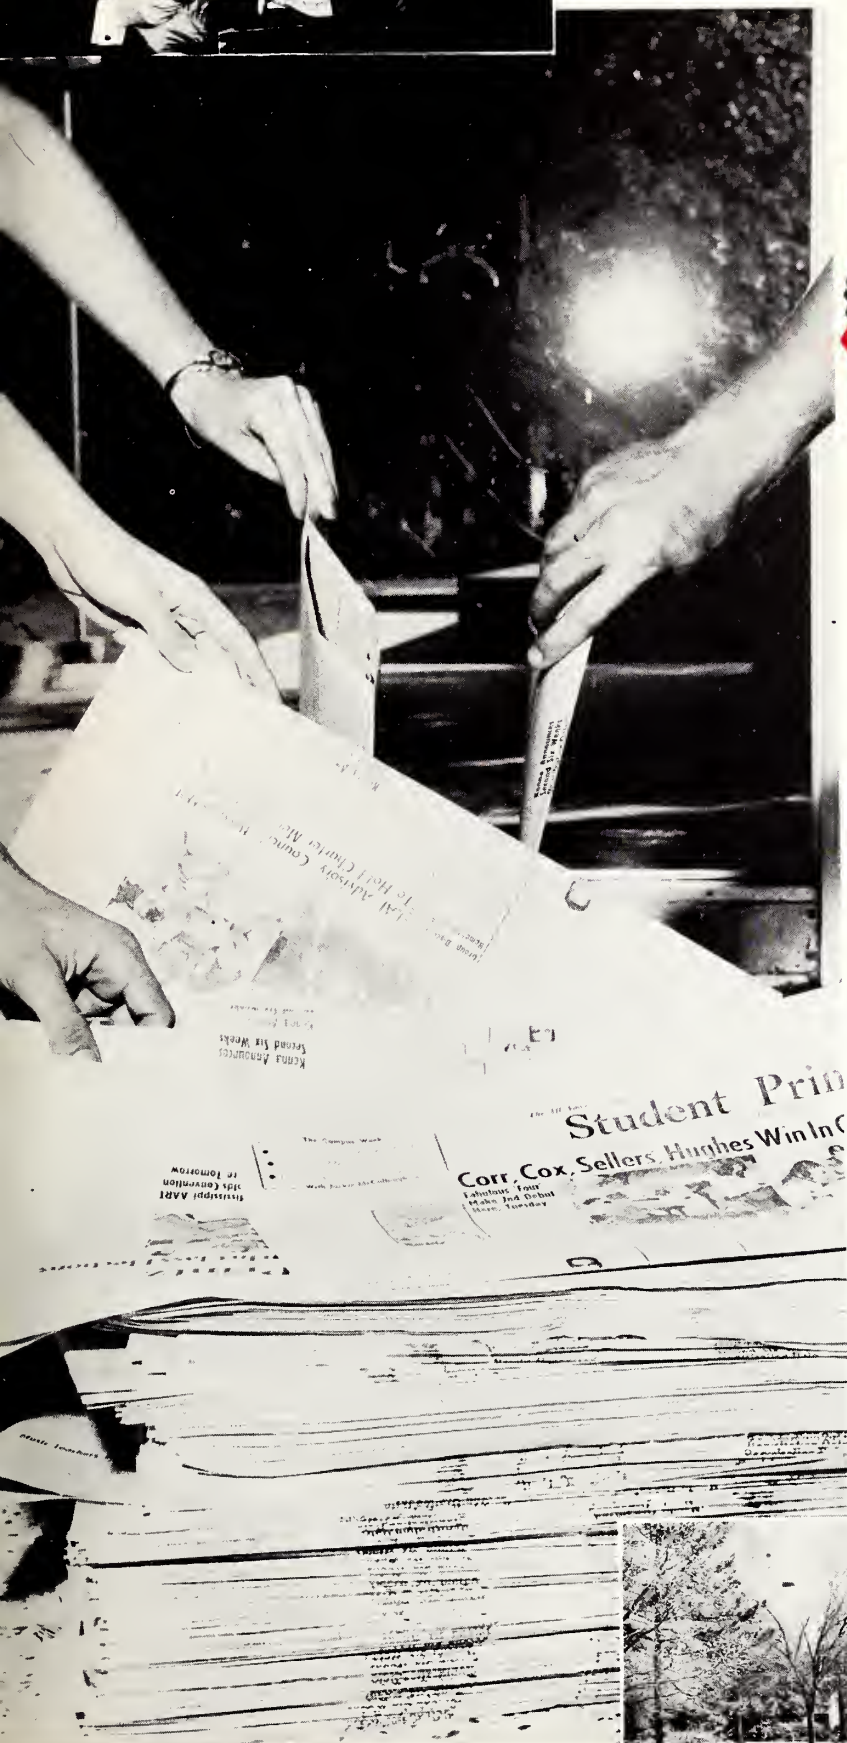

GEN'L NAT. . .

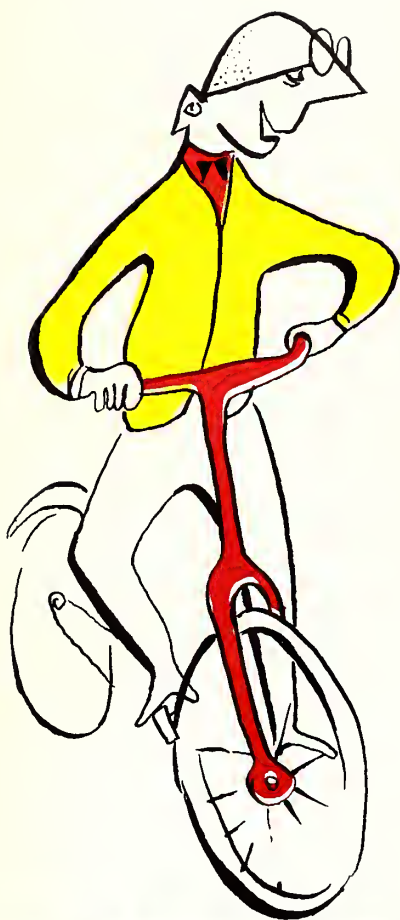

Tradition

The annual occurrences of events meaningful, near and dear . . . orientation . . . freshman boys with shaved heads . . . the thrills, chills, and sweat of Rush Week . . . before game open houses . . . Homecoming, complete with royalty and memories . . . ten top beauties . . . presentation of "The Messiah" . . . Dixie Darlings never failing to attract all . . . Greek spring dances . . . the vigilant weekly Student Printz . . . pinning the right girl and later, serenading . . . inspirational Religious Emphasis Week . . . refreshing Experimental Opera . . . broadening lyceum attractions . . . pageantry with selecting a beauty representative for the state . . . colorful ROTC parades . . . placid Lake Byron . . . climbing the stairs of College Hall . . . the SOUTHERNER . . . caps and gowns . . . honors day "The biggest and the best" . . . and, perhaps most of all . . . WIMPY's.

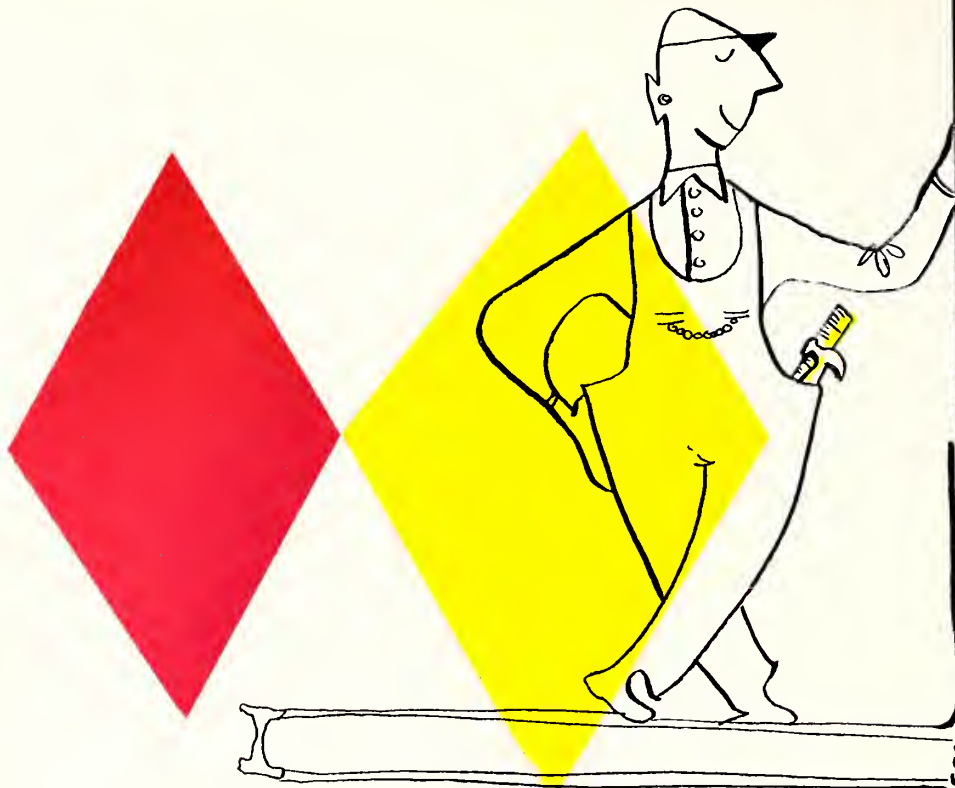

The place where everyone speaks, regardless of previous acquaintance . . . the faculty and administration practicing the "Open Door" policy . . . classes sprinkled with humor and personal contact . . . students and faculty-administration alike sincerely interested in one another . . . the cafeteria buzzing with laughter and chatter . . . the College Union, a regular Grand Central Station of greetings . . . the impossibility of walking across campus without at least one friendly chat . . . fellowship in organizations ranging from student government to denominational groups to fraternities and back again . . . small parties, on and off campus, usually becoming big blasts . . . favors rarely thought of as such . . . work with a group turning into fun . . . a person always thought of for what he is, not for what he has . . . and "The Friendly College" lives up to its name.

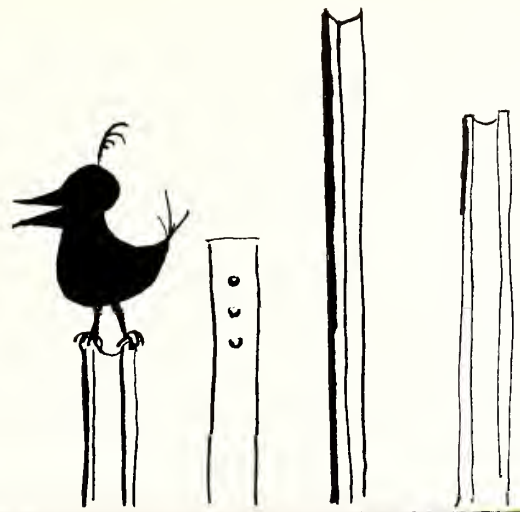

Friendliness

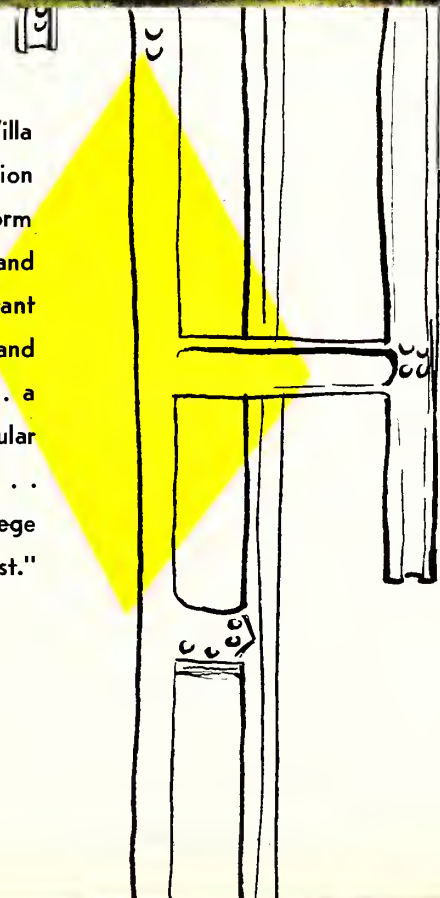

Progress

The appearance of continuing construction . . . Alma Hickman Hall . . . Willa Bolton Hall, the Frank March, Jr. Fine Arts Building, the R. C. Cook College Union Building . . . The Danforth Chapel . . . A new girls' dorm and boys' dorm . . . and a new Field House . . . fraternities strengthened by a stronger IFC and all new fraternity houses . . . ever-heightened academic standards . . . constant campus beautification . . . outstanding new policies . . . a strong faculty and administration . . . an expanding curriculum . . . increased enrollment . . . a broadening athletic program . . . more constructive and inclusive extra-curricular activities . . . ideals and levels of aspirations climbing higher every year . . . continuing personal pride and interest in students . . . and division of the college into schools . . . and slowly but surely the fulfillment of "the biggest and the best."

PRINTZ

The **Student Printz** celebrates its 30th birthday this year as not only one of the first, but as one of the most outstanding collegiate newspapers in the nation.

Edited for the second year by Charles Martin, the **Printz** received the Associated Collegiate Press "All American" award and the Columbia Scholastic Press Association "Medalist" awards for six consecutive years. This year it copped a brand new trophy—the Vincent Edward Socrates Advertising Award, given for the first time in 1957 to one high school or college in the United States.

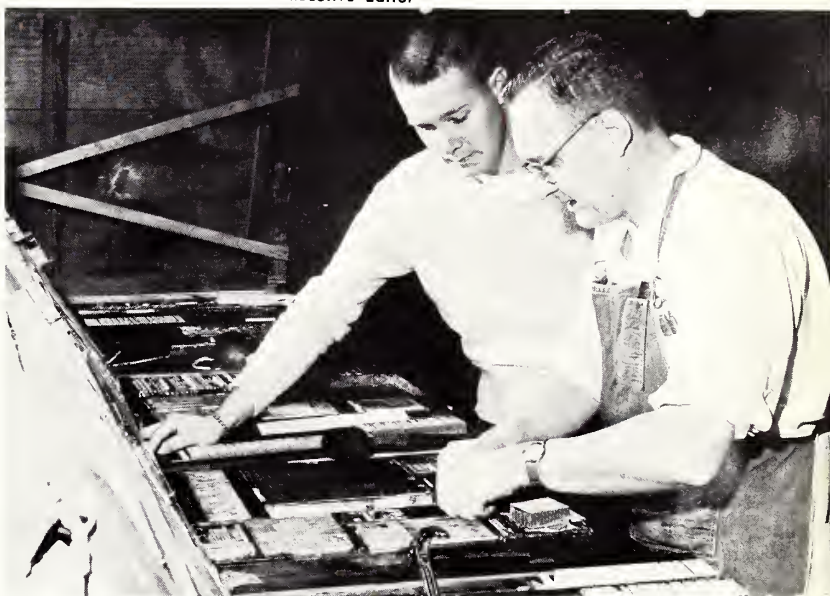

It is the official reporter of college events and notices and appears every Friday except holidays during the regular school year.

THE 1958

After hours of planning, preparation and work, **THE 1958 SOUTHERNER** is finally in your hands. Here, thanks to the efforts and cooperation of many, is your Mississippi Southern yearbook. Here is the friendliness, tradition, progress and spirit of our college. To each individual who really evaluates the book, a certain part of each portion of the theme may be found in every photograph and written word on every page.

A yearbook is more than a mere record of events, for it preserves the atmosphere, traditions and inspiration of the particular year for which it is produced. **THE SOUTHERNER** serves varied purposes; it is a training field for the staff, a memory book for the students, a history for posterity, a good will instrument, and, perhaps, useful in other ways.

As with any large and difficult undertaking, this yearbook could be improved. Surely there are mistakes within it, for a yearbook staff is only human. Our one plea in your judgment is that you have the patience and understanding that we have tried to exercise in giving this year's **SOUTHERNER** to you.

Staff Members, Seated Left to Right: Jane Morris Bosworth, Annrae Horton, Joly Wamble, Miriam Kahn, Carolyn Smith, Jerry Goss, Marilyn Lane, Betty Develin, Whizzby Brown. Standing Left to Right: Jackie McCullough, Lynda McCann, Sylvia Newsom, Judy Harrison, Tommy Cox, Rosemary Massey, Betty McMurchy, Donnie Seuzeneau.

Staff Members, First Row, Left to Right: Nancy Sherrard, Mable Ann Boswell, Caroline Moore, Margie Cranford, Ellie McDonald, Jeanelle Williams, Ann Fletcher, Carolyn McGregor, Glenda Gilliam. Second Row, Left to Right: Carl Voss, Charles McElveen, Donald Dana, Robert Boothe.

Staff Members Not Pictured: Jimmy Bonner, Cary Campbell, Kay Daniel, Marilyn Darby, Warren Day, Arnold DeWease, Susan Hagerman, Ruth Hill, Christine Jacobs, Kelton Morris, Dollye McClain, Floyd Seymour, Bill Simpson, Catherine Temple, Terry Wilson, Jane Waggoner, John Zimmerman.

Len Fallen, Patricia Hays, and Bob Cade emote in "The Country Girl."

Tom Georges, Carolyn Keel, and Norman Schneider look into the lying down situation of Barbara Ann Steelman in preparation for "My Three Angels."

Carolyn Keel and Wayne Catledge practice "My Three Angels"

A group scene from "The Country Girl" includes Charles Vandevender, Gerald Lassiter, Bob Cade, Len Fallen, and Patricia Hays.

SOUTHERN

Len Fallen, Binnie McCoy, James Moody, and Dorothy Juillerat rehearse hilarious scene in "Peter, Peter Pumpkin Eater."

Drama is exemplified by Patricia Hays, Fallen and Bob Cade.

PLAYERS

Mississippi Southern's Drama Department annually presents three major productions, a children's play and an experimental theatre program of original one-act plays.

Agatha Christie's suspenseful drama, "Ten Little Indians," was produced last spring under the direction of Dr. Gilbert F. Hartwig, head of the Theatre Department. During the summer, a large group cooperated in producing the Broadway comedy hit, "The Tender Trap." Mr. Robert M. Treser, assistant director of theatre, directed.

The 1957 theatre season opened with the excellent Clifford Odets drama, "The Country Girl." In winter, the third annual children's play, "Peter, Peter Pumpkin Eater," was produced under the student direction of Floyd Likins. Later in the season, the delightful comedy, "My Three Angels," was presented.

"Brigadoon," the spring production, by Alan Jay Lerner with music by Fredrick ("My Fair Lady") Loewe, is, according to Dr. Hartwig, another indication of the rapid growth and cultural development of the college.

Moody, Fallen, Selvey Johnson, Maudell Fairchild, Frances Seay, and McCoy get hepped up over "Peter."

"The Country Girl" featured this scene with Georges, Fallen, Melinda McWilliams and Cade.

Drill Team poses in new uniforms

Mississippi Southern's Army Reserve Officers' Training Corps has as its purposes to train officers for the Regular Army and the Army Reserve, and to have ready in time of national emergency a corps of educated, well prepared leaders for our Armies.

There are two phases of the regular ROTC program: a basic course for freshmen and sophomore students; and an advanced course for those who qualify upon completion of the basic course.

ROTC is voluntarily at Mississippi Southern, and any able-bodied male student is given the opportunity to qualify. The

Cadet Col. Travis Interrogates

Corr's Company

Corps, since its introduction several years ago, has grown in strength and activity.

Upon successful completion of one summer of camp and the advanced course, cadets receive commissions as 2nd lieutenants.

Roger Coleman, Station Manager, and Bill Dore, Program Director, confer about WMSU

W. M. S. U.

WMSU is the student-operated campus radio station. It provides a variety of programs for the listening pleasure of Mississippi Southern's students. The radio station is operated entirely by students, who are kept busy preparing some 125 programs per week. The station operates five days a week.

The accent at WMSU is on variety, with dramatic script, news, women's programs, music and sports shows being produced daily.

Students work toward gaining experience in continuity, music, traffic, announcing, sales, promotion, news and sports. Proof shows that students who learn first at WMSU are the ones most sought for employment on commercial stations. Many of Mississippi Southern's students who have been on the WMSU staff are now employed in radio and television stations throughout the south.

WMSU has been on the air since May 19, 1953, and has been a member of the Intercollegiate Broadcasting System (IBS) since April 15, 1954. WMSU is managed by Roger Coleman. Program director is Bill Dore. Mr. Thomas Maclin is the director of radio in charge of overall station functions.

Music Director Don McCann and Continuity Director Bob Perry select appropriate listening material.

FORENSICS

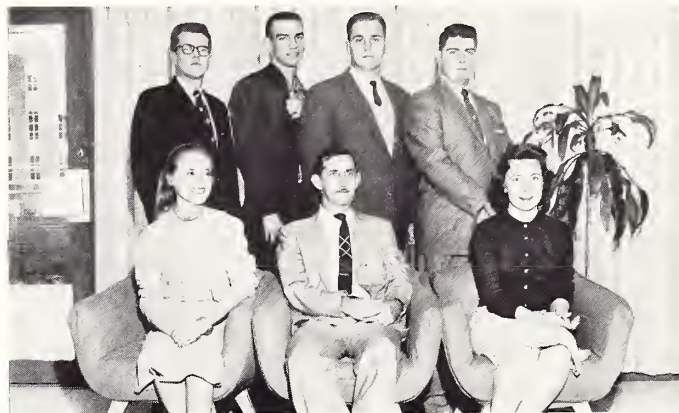

Mississippi Southern's forensics program, sponsored by the Department of Speech in the School of Arts and Sciences, is directed by Dr. Don George.

Forensics includes training in debate and discussion, Youth Congress activities and individual speech events such as oratory, radio speaking, interpretive readings and after-dinner and extemporaneous speaking.

Statewide and regional tournaments in each of the above areas are entered each year. These trips give students experience in meeting college groups in Alabama, Mississippi, Louisiana, Georgia, Tennessee, Florida and Texas. For the past two years, Mississippi Southern has sent students to the National Oratorical Contest in Michigan and is the only state in the deep south holding membership in the Interstate Oratorical Association which sponsors this tournament.

The Mississippi Southern Vesper Choir is the major choral organization on campus. Each fall, there are auditions for membership. This fall over 100 students auditioned and 50 were chosen. This choir appears in concert throughout the state of Mississippi and, in some instances, adjoining states. Every member of the Vesper Choir is also a member of the Hattiesburg Choral Union which presents Handel's "Messiah" each Christmas. One week before the presentation of the Choral Union program of the "Messiah," the Vesper Choir presents this great oratorio at both morning and evening services of some church outside Hattiesburg.

Each Spring there is a state tour of the Vesper Choir which lasts for an entire week. High Schools, churches, and junior colleges are visited, and programs are presented. This is only a part of the public relation program of the choir. For example, each civic club in Hattiesburg has at least one program from the Vesper Choir during the school year. Other activities include: Religious Emphasis Week Concert; Fine Arts Week Concert; cooperation with the Hattiesburg Choral Union in their Spring Concert.

This year, the Mississippi Southern Vesper Choir was honored by being represented—along with thirteen other major colleges—in an album, "American Colleges Sing Stephen Collins Foster," which is receiving national attention.

Dr. Jack Lyall directs the Vesper Choir.

BAND

Attractive new uniforms added to the color and spirit of "The Pride of Mississippi" this year. Led by three featurettes, the band equalled and went beyond past successes. The 1957-58 activity included 100 persons in the marching group.

Appearances over national television hook-ups and numerous performances by both the band and DD's further enhanced the reputation of the musical and specialty groups as well as enhancing the reputation of Mississippi Southern.

Dr. Raymond Mannoni is band director, and Mr. Robert Hays is assistant band director.

The "Rockettes of the Gridiron" provided clever and uniquely presented entertainment throughout the year. Forty-eight comely coeds practiced diligently to receive well-earned praise under the direction of Miss Frances Jellinek.

Looking Over the Situation

This year, Alpha Sigma Chapter is celebrating its twentieth year, having been installed May, 1937, on Mississippi Southern's campus. Tri-Sigma was the first national sorority to be established at the college.

Tri-Sigma members have long held an interest in all campus activities. Another stepping stone in Phi Mu's growth at Mississippi Southern was marked this year. Helping to put down another stone to cross were parties for members and pledges, the annual Christmas party, the Mother-Daughter Banquet, Founder's Day Ceremony and Banquet, the House Party and the Spring Formal.

Many of the Phi Mu's helped make their mark by taking part in Choral Union, Southern Players, Dixie Darlings, and various educational and religious organizations.

Phi Mu's ideals are love, honor and truth. It is these goals that each member strives to attain in addition to academic knowledge, leadership and social and moral standing.

The Interfraternity Council is an organization composed of the six fraternities on Southern's campus. Each fraternity is represented by three delegates vested with the power to act for his fraternity, and all fraternities are bound by the rules and decisions of the organization.

The purpose of the council is to act as a governing body of fraternities, promote better harmony and cooperation between fraternities and advance the interest of Southern at all times.

One of the primary duties of the IFC is the establishing of rules relating to rushing, pledging, and initiation of fraternity men. In doing this, the IFC tries to insure fairness to the rushee as well as to each individual fraternity.

"The Four Fresh . . ."—typical of the hilarious scenes at every IFC skit night, an annually sponsored affair.

A Dream Is Realized

The celebration this year of Robert E. Lee's Birthday on January 19, which is held bi-annually, was followed by a period of great festivity in which the Old South Ball was held. This is just one of the traditions of the Southern Gentleman who make up the Gamma Zeta Chapter of the Kappa Alpha Order.

The chapter members are proud of their beautiful new home on Southern's campus. Completion of the house was a highlight this year.

This year's KA's have held many responsible positions in campus activities. Henry Rhodes was president of the Student Government Association and was named to Who's Who. Jack Stone, also placed in Who's Who, was Chief Justice of the Student Court. Clint Hardin was president of Pi Tau Chi and another Who's Who member. Tommy Cox was elected president and favorite of the Junior Class, and "Tick" Scott was vice-president and favorite of the Senior Class. Billy Hewes, Sophomore favorite, and vice-president, and Tommy Cox were cheerleaders.

The Kappa Alpha's are especially proud of their National Scholarship Trophy won at the 47th convention held in Jacksonville, Florida. Gamma Zeta was first in scholarship among Kappa Alpha chapters in the United States.

Other organizations in which Kappa Alpha's are active include the Student Senate, debate team, "M" Club, Newman Club, Pi Kappa Pi, Pi Kappa Delta and, Omicron Delta Kappa.

The parties of Kappa Alpha include the Christmas party, the Old South Ball, House Party in Florida, Costume Party, Pledge Party, and many others throughout the year.

Kappa Alpha takes great pride in growing with Southern to the top.

A Wagon Load of Seminoles Guarded by Sig Ep Confederates.

Sig Eps have a total of 146 chapters throughout the nation—ranking second in the number of chapters of any fraternity in the country and the fraternity on this campus with the most chapters.

The members of Sigma Phi Epsilon pride themselves with being more than a social fraternity; it is altruistic as well. Activities include aiding the handicapped, sponsoring functions for Boy Scouts and working with civic clubs on projects for the benefit of the community.

A Queen of Hearts Ball is the highlight of the year; new officers, the fraternity sweetheart and little sisters are presented at this affair. Another annual function is a house party for members, pledges, and their dates; last year, it was held at Panama City, Florida. An average of one party a month—from picnics to formal dances—is outlined on the Sig Ep social calendar. The Homecoming parade float won second prize for originality last year. Plans have been submitted to build a \$50,000 fraternity house of split-level construction which will house forty men.

There are members who are on the varsity baseball and track team. Campus organizations in which Sig Eps participate are the Student Printz, Circle K Club, Omicron Delta Kappa, Delta Sigma Pi, Kappa Kappa Psi, Pi Sigma Epsilon, Alpha Psi Omega, Rho Tau Sigma, Vesp̄r Choir, the band, Yellow Jackets, and various religious organizations.

LA. TECH 0

A 39 yard pass from Quarterback Ollie Yates to Halfback J. C. Arban produced Mississippi Southern's only touchdown as a determined Bulldog team was defeated 7-0.

The scoring play came with only five minutes of playing time gone. Yates started the drive with a fair catch on the Hattiesburg 34 yard line. Two running plays and a penalty against Tech moved the ball to the Bulldog's 35. However, a penalty against Southern retreated the pigskin to the Black and Gold's 49.

At this point Yates hit Fullback Bo Dickinson with a pass which moved

Southern to the Tech 39. On the next play Yates tossed to Arban for the score. Yates converted the extra point and Southern led 7-0.

Following these opening plays the Bulldog's closed the door on Southern for the night. Midway in the second period Southern threatened but was stopped on the Tech five. Twice during the second half Southern drove beyond Tech's 20 yard line, but each time fumbles cost them a possible score.

Louisiana Tech's big moment came in the final period when they drove to the MSC 16. Southern's defense stiffened and held as time ran out.

George Sekul and Tommy Purvis, two unknowns, led Pie Vann's Southerners to a 13-0 win over Trinity University in their first appearance at home.

More than 8,000 fans watched in heavy rain as the Black and Gold marked up their second victory of the season in as many outings.

Southern's first attempt at a score ended after a fumble was recovered by Trinity on the Tiger 20. However, in the second period Quarterback George Sekul climaxed a drive by cutting over tackle for four yards and a touchdown. Ollie Yates' try for extra point was wide, but Southern led 6-0.

MSC's second score came in the third quarter. The two largest ground gainers in the scoring drive were two passes from Sekul to Purvis. The second pass was good for the score. Yates' kick was good, and Southern led 13-0.

Southern threatened once more, but the drive ended when Yates' attempted field goal was no good.

Trinity's only serious scoring threat came early in the fourth period when the Tigers moved to Southern's 11 yard line on four consecutive passes. Yates ended the drive when he intercepted a Trinity pass on the two yard line.

Mississippi Southern literally rolled over West Texas State 34-0 for their third straight shut-out win of the season.

Many Southern fans were doubtful as to the outcome of this game as they remembered the 20-14 Tangerine Bowl licking handed their team by the Buffalos. However, tonight was different as the Hattiesburg team outclassed and outplayed the Texans.

George Sekul called on Halfback Bobby Lance for the first score of the evening. Lance bulled his way over tackle for 8 yards and the touchdown. Ollie Yates kicked the point, and Southern led 7-0 with only three minutes gone.

Quarterback Willie Gene Coats tossed a 12 yard pass to Jack May for the next score. After Lance booted the point, Southern led 14-0.

The Black and Gold made it three TD's in the first half when Sekul threw a 33 yard pass to End Bob Yencho, who carried two defenders into the end zone with him. Yates' kick was blocked, and the half ended with Southern leading 20-0.

West Texas took the kickoff beginning the second half and marched to the MSC six yard line where they were stopped on a fourth and one play.

Southern took over and moved 94 yards for their fourth score. Halfback J. C. Arban went into the end zone on an off-tackle play. Yates split the uprights to give Southern a 27-0 advantage.

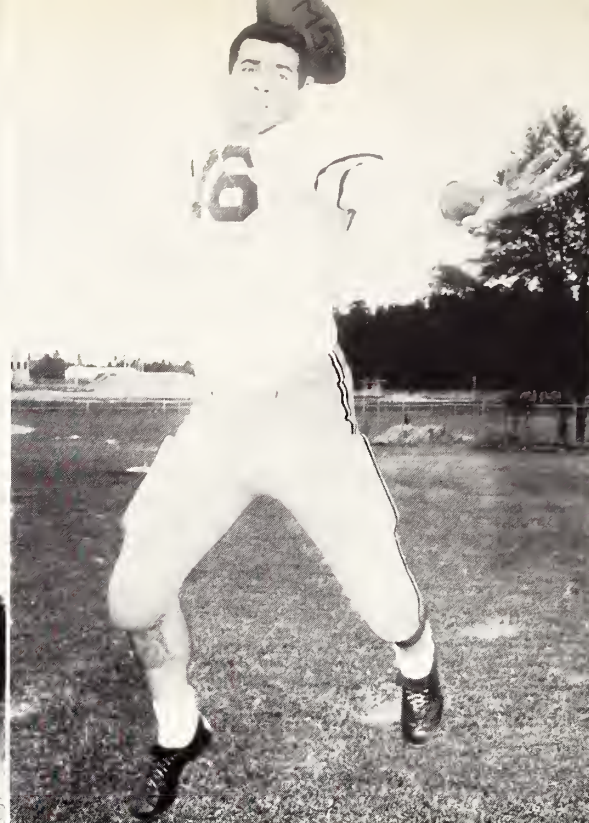

Mississippi Southern's final score of the game came in the fourth quarter when Halfback Joe Doggett scooted 13 yards to end a 77-yard drive. Fullback Bill Weber kicked the point after touchdown to make the final score: Southern-34, West Texas State-0.

Mississippi Southern won its fourth consecutive victory of the season and continued to hold opponents out of its end zone as they edged past Southeastern Louisiana in Hammond.

Pie Vann's crew looked overconfident as they saw a determined Southeastern club press them throughout the entire game.

The first period of play produced very little except to prove the Southerners were in for a long evening. Neither team made a serious scoring threat as the pigskin changed hands frequently.

Southern's initial scoring drive began when Halfback J. C. Arban returned a punt to his own 49 in the opening minutes of the second quarter. Fullback Bo Dickinson hit the line for 10 yards; then Halfback Lawrence Meeks broke through for a 13 yard gain to the 28 yard line. On two plays Ollie Yates and Arban moved to the 14 where Big Bo hit the center of the

line for the remaining distance and the first score. Yates converted to give Southern a 7-0 lead.

Southeastern took Southern's kickoff and returned to the Black and Gold 18 yard line in a series of plays. Quarterback Bill Hawkins highlighted the march with a 10 yard pass to Halfback Frankie Bourgeois. With a fourth and eight situation, the Lions elected to try a field goal. End Wayne Miller's kick was wide, and Southern took over at the 20. As the first half closed Southern maintained its seven point lead.

The second half opened with MSC failing to move after the kickoff. The Lions, however, began to move. Led by Bourgeois and Hawkins, Southeastern went to the MSC 32 where they punted out on the 11 yard line.

Southern began a march which carried to the Lion's 12 yard line. Here Lawrence Meeks was given the call, and in two plays he reached paydirt. Yates' kick was good, and Southern led 14-0. This was the final score, as time ran out for Southeastern.

Taylor (68) and Juneau (83) lead the way, but Meeks is tackled from behind.

Lance tries, but he is tackled.
Norris (60) is throwing a

MSC 14;

Southern won its fifth straight game as they edged past Memphis State 14-6 in Memphis, but it may have cost them the services of Fullback Bo Dickinson for possibly the rest of the season.

Dickinson suffered a serious back injury in the third quarter after making a short gain. Halfbacks Lawrence Meeks and Charles McArthur, Tackle John Perkins, and Center Richard Johnston were also injured, but not seriously.

Southern took the opening kickoff and marched to the Tiger 28 yard line only to lose the ball on downs. State came right back and moved to the Southern 27. With fourth down and long yardage to go the Tigers tried a field goal which fell short.

MEMPHIS STATE 6

MSC's first score came late in the first period. With the second unit in play, Fullback Buddy Supple along with Halfbacks Jack May and Bobby Lance moved to the six inch line. Lance dove over for the score, and Yates' kick split the uprights to give Southern a 7-0 lead.

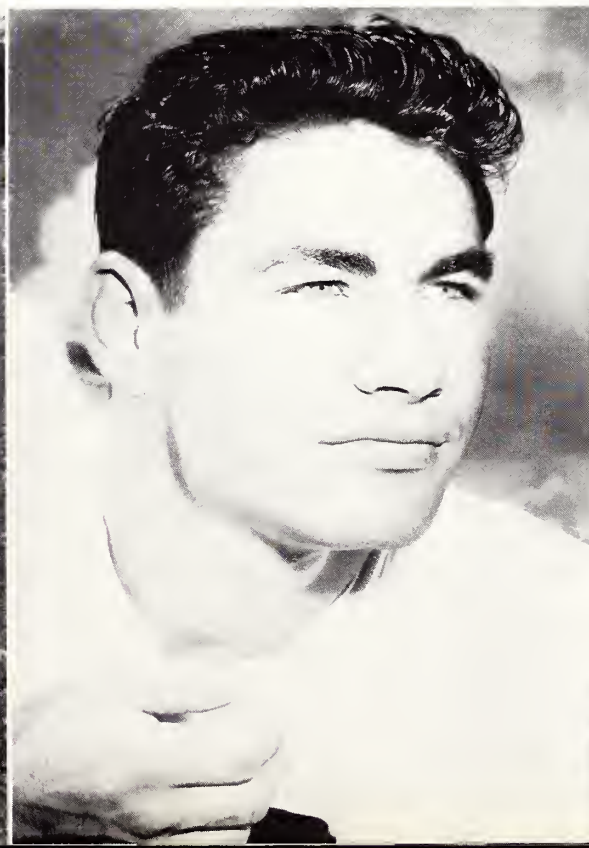

Memphis State became the first team to score on Southern this year when Talarico scored from the two yard line. Armstrong's kick was no good and Southern led 7-6 at halftime.

Southern's second score came in the third quarter as a result of a Memphis State fumble on its own 13 yard line. Lance hit tackle for eight yards, and on the following play Jack May went into the end zone. Yates again added the point-after-touchdown to give Southern their 14-6 victory.

More than 5,000 University of Chattanooga grid fans watched mournfully as Mississippi Southern spoiled the Moc's annual homecoming 20-0.

A fumble in the game's opening minutes was recovered by Tackle John Russell on the Moc's 25 yard line, and Southern began a scoring drive. Halfback Lawrence Meeks gained six yards on Southern's first play from scrimmage. J. C. Arban gained five down to Chattanooga's 14 for a first down. Following an offside penalty, Quarterback George Sekul threw complete to Arban for the touchdown. Ollie Yates converted to give the Southerners a 7-0 lead.

Chattanooga took the kickoff and moved to a first down. Meeks intercepted a pass to give Southern possession of the ball at midfield. Arban, Meeks, and Yates moved the ball to the Moccasin 29 where a penalty put it on the 34. Yates then hit Meeks with an aerial on the 20, and he ran the

distance for the second score. Yates missed the conversion.

In the closing moments of the second quarter, Chattanooga began to move. On a series of plays they drove to the Southern 24, only to be stopped by a tough MSC defense.

Mississippi Southern took the second half kickoff and proceeded to march 62 yards for its third touchdown of the contest. The drive was highlighted by a 15 yard pass play from Sekul to End Curry Juneau, and a 36 yard run by Sekul down to the opponents' five yard line. Buddy Supple, playing at fullback, hit the line to the three and then bulled his way into the end zone for the score. Yates kicked the extra point to give Southern a 20-0 advantage.

The final whistle blew with Chattanooga moving in midfield against MSC's third unit.

Mississippi Southern College, still lacking the services of Bo Dickinson, barely kept its winning streak alive as they edged past Abilene Christian 7-0 in Hattiesburg.

Considered a breather, Abilene combined tough line play with precision passing to simply outclass the Southerners. The Black and Gold looked sluggish most of the game except for the few brief moments they managed to push across a touchdown and extra point.

The first quarter showed very little in favor of either team as did most of the second period. Southern began its scoring drive with less than four minutes remaining in the first half.

Southern, after taking a Wildcat punt on their own 32, began to move when Jack May took a pitchout to the Abilene 45. Quarterback George Sekul, faded back to pass, but found a hole up the middle and ran 12

ABILENE CHRISTIAN 0

yards to Abilene's 33. After an incomplete pass to May, Sekul was chased to the 40 before tossing to Halfback Bobby Lance who caught the ball on the two and fell into the end zone for the touchdown. Ollie Yates kicked the point after touchdown to give Southern a 7-0 lead at halftime.

Abilene made two touchdown bids as they drove to the Southern 18 where MSC's defense stopped them, and they moved to the 17 where Center Richard Johnston intercepted a pass to end that drive.

The Wildcats rolled to three straight first downs before a fumble ended the drive on Southern's 34. The Black and Gold moved to the Abilene 44 where a 15 yard penalty ended the drive.

Sophomore End Sonny Tucker was lost for the remainder of the grid season as he suffered a broken foot.

Statistically Southern trailed in every department except yards compiled from passes, and the most important—points scored.

Mississippi Southern College, taking a step into big time football, got tripped up as former Vicksburg high school star, Claude King led the University of Houston to a 27-12 win in Jackson.

Heretofore, Southern had been scored upon only once and was yet to taste defeat. However, Houston had it all to itself as they fell behind only once when Southern Quarterback George Sekul scored in the first period to give MSC a 6-0 lead. Earlier Ollie Yates attempted a field goal which fell short.

Southern's lead was erased quickly as Claude King climaxed an 80 yard drive when he went over from the 11 yard line for the TD. Houston made the extra point and led 7-6.

Houston began its second drive when a pass by Sekul intended for End Curry Juneau was intercepted by Michon. In a series of plays with Michon and King alternating, Houston moved to the Southern three where

HOUSTON 12

King went over for his second score of the game. McDonald kicked his second conversion and the Cougars led 14-6.

Pie Vann's Southerners rolled back for another score when Sekul scored from the one yard line with only 21 seconds left in the half. The conversion failed. This TD march was highlighted by a long pass play from Sekul to End Bob Yencho who carried to the Houston 18 yard line.

The third period proved to be a battle between defenses as neither team was able muster much of a scoring threat. Late in the quarter the Cougars recovered a Southern fumble on the 34. A series of plays carried the ball to the one yard line when the third quarter ended.

On the first day of the final quarter, Don Brown went into the end zone for Houston. McDonald finally missed a kick, but Southern was trailing 12-20. Houston's final score came when McDonald tossed a 22 yard pass to the MSC 8. A penalty moved it to the one where Brown scored. McDonald's kick made the final score: Houston 27, MSC 12.

Juneau and Sekul (12) make the stop as Perkins (73) and Lance (43) come to help.

McArthur is tripped despite the efforts of Russell and Shows.

MSC 20;

Mississippi Southern presented its hundreds of alumna a much wanted victory as they crushed powerful Florida State University 20-0 at Homecoming.

A tension of excitement filled the stadium as Southern beauties were presented as the homecoming court, and everyone remembered last year's lone regular season loss to FSU.

Southern started tonight's excitement early in the first period by stopping a FSU drive on the one yard line. Then in the second quarter Halfback Bobby Lance broke loose for a 57 yard touchdown.

About five minutes later a FSU fumble resulted in another score when Bo Dickinson went over from the seven.

The Black and Gold drove twice more within a yard of the goal but failed to penetrate a tough Florida State line. However, they were not to be denied a third time. With three minutes remaining in the game, George Sekul dove over for the score.

Lance led Southern's running attack with 74 yards in seven carries. One of the key figures in the victory was Charles McArthur who replaced injured Jack May at halfback.

Homecoming fans were also shown an outstanding half-time show by the Marching Chiefs of Florida State and Southern's Pride of Mississippi marching band and Dixie Darlings.

After this win Southern accepted a bid to the Tangerine Bowl in Orlando, Fla.

ALABAMA 29

Dark rain clouds rolling over Denny Stadium proved to be the perfect background for the game as Southern was battered down this field for four long quarters before finally losing to Alabama 29-2.

For the Elephants this was a long and sweet victory as it was their first win over Southern in the last four encounters. Last year's contest ended in a 13-13 tie.

Southern was hurt at halfback before the game got underway. Left Half J. C. Arban was injured in the first five minutes of play and didn't return; and Right Half Lawrence Meeks rehurt his back in the first half and didn't see any action in the second half.

The victory seeking Elephants in a period of two minutes scored 15 points in a third quarter explosion that left Southern hapless. Prior to this MSC had held them to a 7 point lead.

Everything seemed to go wrong for the Southerners while just the reverse was the case for Alabama. Southern passers were rushed almost off their feet, and many of their plays resulted in penalties.

Fullback Bo Dickinson was Southern's only bright spot, as he gained 53 yards in 11 tries.

Southern's only score came after Alabama's defense had stiffened and the Crimson Tide had taken over on their three yard line. Jim Taylor broke through to stop Quarterback Robert Seklton in the end zone for a safety.

In the closing moments of the game Alabama drove to the Southern eight yard line, but was penalized for holding. The game ended one play later.

TANGERINE BOWL

East Texas State kept MSC's bowl jinx alive as they edged the Southerners 10-9 in the Tangerine Bowl.

The Southern defeat came with a little more than seven minutes remaining in the game as Neal Hinson kicked a wind aided field goal to give the Texans the one point margin for victory.

Until this time Southern had led the contest 9-7 on a touchdown, extra point, and safety.

East Texas struck first blood in the contest as Gary Berry scored a touchdown from the three yard line. Hinton converted to give his team a 7-0 lead.

Southern, however, rolled back late in the second period with their first score. With Bo Dickinson and George Sekul moving for large gains to the four, Bobby Lance scored in two plays. His conversion tied the score.

In the third quarter, Southern scored on a safety. East Texas' Galliam snapped the ball too high and McCord was trapped behind the goal.

With rain, high winds, and a wet field hampering both teams, Hinson came into the game to kick his field goal. As far as MSC was concerned the game was over.

A pass intended for McArthur is batted away by Hinson.

Combining a tough defense with rugged rebounding the 1958 Southerners compiled a record of 18 wins and 7 losses. No one individual stood out as the Southerners had an outstanding team effort.

Robert Boothe and Harold Kea led the scoring for the season, but all of the players were capable of scoring on any given night.

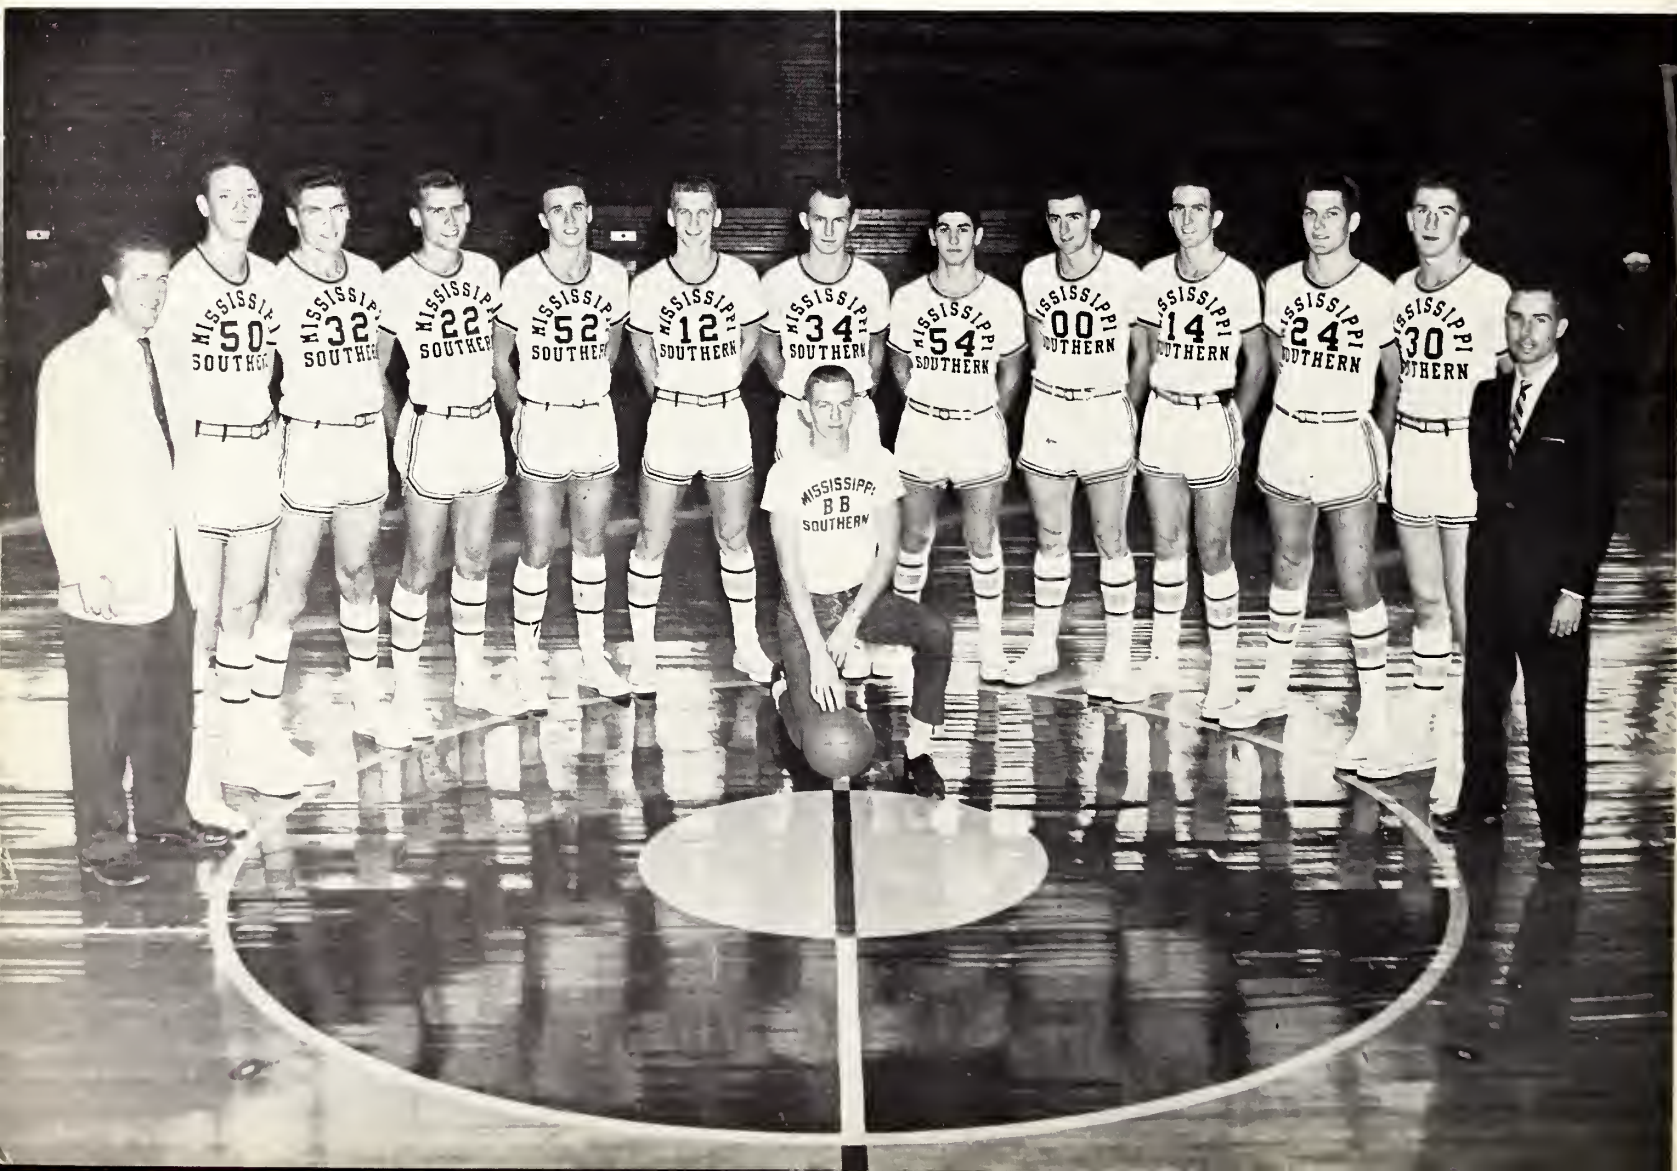

Ken Fortenberry led all the rebounders, but he received strong support from Boothe, Hollingsworth, and Goold.

Team spirit inspired by a new coach, Fred Lewis, paved the way for MSC's best basketball season in four years. The basketball team was ranked among the top twenty small colleges in the United States.

OUTLOOK FOR NEXT YEAR

Only five boys are lost from the 1958 squad. Coach Lewis has a fine group of replacements who are being elevated from the ranks of redshirts.

The leading rebounder and the second leading scorer are both returning next year.

With a year's experience of playing together under a new coach, the basketball team should be even better in the future.

Many former Southerners are now playing professional

baseball. Some of these players who developed at Southern are: Fred Waters, Laurin Pepper, Mickey Harrington, Jim Davenport, Ken Fischer, and Steve Mitchell.

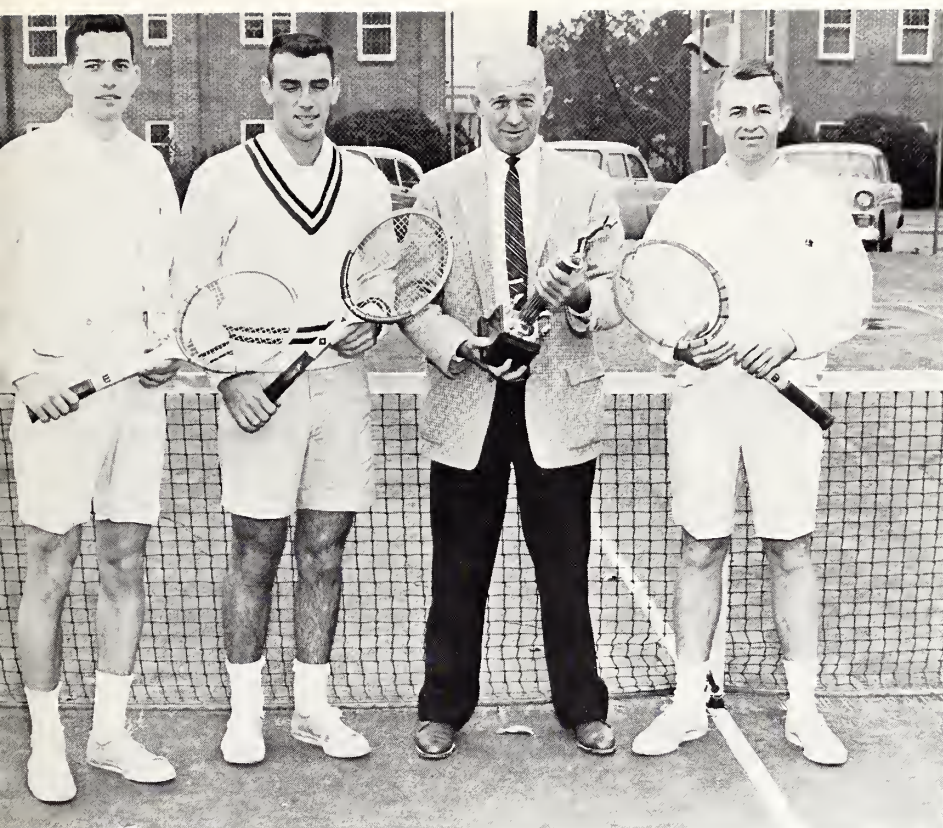

Coach Stuart has developed these professional players while he has coached successful baseball teams here at MSC. During the year of 1958 he should continue to be as successful as he has been in the past.

The '58 group of netmen must play with the added burden of being defending champions. However, if Coach Clegg is able to find adequate replacements the tennis championship may well remain at Southern.

Alpha Lambda Delta, installed at Mississippi Southern in 1956, was established at the University of Illinois, May 31, 1924. It was founded to interest freshman women in the pursuit of learning and in high scholastic achievement. Eligibility to membership depends upon a scholastic average of 3.5 or higher.

The society has proved a stimulus for study and high scholarship among freshman women in institutions where chapters have been installed.

Membership in Alpha Lambda Delta is not a goal to be worked for by students and attained by means of high scholarship alone, but is a reward for genuine interest in things intellectual and for conscientious work well done.

The Baptist Student Union has many activities available for the 1700 Baptist students on Mississippi Southern's campus.

Baptist Student Fellowship, meeting every Tuesday evening in the Jackson Room, features varied programs such as Bible study, devotional talks, symposiums on love, courtship and marriage, talent shows and socials. Morning Watch, a short period of devotion and prayer, is held each school-day morning from 7:45 until 7:55.

In addition to these activities, BSU sponsors a Fall Retreat off campus, Y.W.A. for girls, a fifty-voice choir, intramural teams, an annual banquet, special socials, and other activities. The Baptist Student Union is student-led, church related, and Christ-centered. BSU Director Louis Farmer, Jr. directs and supervises the entire program. All BSU activity is free to students, as Mississippi Baptist Convention and Hattiesburg Baptist churches finance the BSU program and support BSU in all its activity.

At Mississippi Southern, Circle K, a club devoted to service, has been in existence since 1954. It is a member of the International Circle K family sponsored by Kiwanis International. The Hattiesburg Kiwanis Club sponsors the local unit.

Through an idea fostered in 1936, special service club work with college men became a reality with the founding of the first Circle K at Carthage College in Illinois in 1947. Since that time, the movement has grown in number, activity and importance.

Circle K on our campus participates in numerous projects and activities throughout the year, such as presenting rose buds to each female clinic patient on Friday, selling Christmas cards, distributing food baskets to the needy preceding the holidays, blood drives, annual sweetheart presentation and party and book drives for deserving foreign colleges and universities.

4-H Clubs are organized groups of young people who learn scientific farming and homemaking by first-hand experience. They carry on projects in these activities under the guidance of Cooperative Extension Workers and local leaders trained by them.

The Mississippi Southern 4-H Club was organized for the purpose of continuing interest in 4-H Club work by 4-H Club boys and girls. Each member is affiliated with his home county club and carries projects which develop leadership, citizenship and a well-rounded personality.

The expression "4-H," used in connection with these clubs, typifies the training of Head, Heart, Hands and Health. The national emblem is a four-leaf clover with a letter "H" on each leaf.

Organized in 1946, the Mississippi Southern chapter of the Future Teachers of America is named after George G. Hurst, a former professor at the college. It interests young men and women in education as a life-long career and gives practical experience in working together in a democratic way to those who plan to be teachers of America.

FTA is an organization which gives the student a part in the state and national professional organizations which largely determine educational policy. It serves to familiarize students with the history, ethics and program of the organized teaching profession.

Mississippi Southern's M Club is composed of men who have earned a letter in one of the varsity sports. As members, these men enjoy the benefits of a club and at the same time are offered the opportunity to support worthwhile campus activities.

The M Club room, located on the third floor of the College Union Building, has been the scene of much activity during the past year. Regular meetings are held on the first and third Thursday of each month.

One of the chief projects of the year has been to formulate an attractive and varied schedule of activities and a general rejuvenating of the entire club program. Among the efforts in this direction was a public dance sponsored by the club and featuring a rhythm and blues band and recording vocal group.

A cordial welcome is assured any visitor who wishes to drop in on a meeting of the M club, an organization devoted to encouraging mutual friendship between all campus groups.

The Newman Club was established at Mississippi Southern in the fall of 1946, and is a member of the National Newman Club Federation and the Gulf States Province. Three main points the Newman Club stresses in student life are religious, intellectual and social development.

The organization is dedicated to the principles of Cardinal John Henry Newman, a convert to the Catholic faith.

During the year, programs include speakers, dances, discussions, group attendance at mass and communion three times a year, socials, and special projects. This year, the Newman Club held a "Talent Night," to which all students and faculty members were invited. Other activities included the construction of a Nativity scene on campus.

A larger membership was acquired and maintained by the club this year than ever before.

At Southern, Phi Eta Sigma starts the year by helping to get freshmen started properly in their study habits. This is done through talks on how to study and the distribution of the society's nationally known "How to Study" booklets.

Pi Kappa Pi, National Honorary Scholastic Fraternity, was founded at the University of Mississippi in 1925, in order to maintain honor, and extend sound learning, high scholarship and intellectual achievement. The Mississippi Southern chapter was installed on March 31, 1949.

Membership in the fraternity is open to students who have maintained seventy per cent "A" grades for ninety consecutive hours in residence at Mississippi Southern College. This standard makes Pi Kappa Pi the most demanding of all scholarship fraternities. Less than one per cent of the student body is initiated each year.

Since Pi Kappa Pi recognizes high scholarship in any type of study for which a recognized academic degree is authorized, membership in the organization becomes a goal toward which many students may strive.

Westminster Fellowship is the organization for college students sponsored by the Presbyterian Church in the United States. Its purpose is "to confront the academic community with the fact of Jesus Christ." It serves students, faculty, and administrators. The local minister to students is the Rev. G. T. Preer, A.M., Ph. D.

Westminster Fellowship at Southern has been on a full-time basis for three years. The Presbyterian Churches of Hattiesburg, who still lend their help for the campus work, conducted worship for Presbyterians at Southern from the year it was founded, in 1912, until the present. The group is now largely supported by the Synod of Mississippi.

For each of the last two years there have been about 250 Presbyterians enrolled in Southern as students, and about 20 Presbyterians on the faculty and among the administrators. The 60 active participants in the activities of Westminster Fellowship are led by a council of elected officers. It sponsors a weekly worship service on Tuesday evening in the College Union, a weekly news bulletin, retreats, attendance at Synod's Westminster Meetings, several benevolent projects, and Bible Study Groups through the year. Its work is coordinated with other religious groups on the campus in the Student Christian Federation.
